BD Proud FAQ's

So, what exactly is BD Proud and what is the purpose?

Simply put, BD Proud is a system to recognize excellence that is everywhere at Blue Diamond Growers and the purpose is to reward that excellence.

Where do I go to use BD Proud?

Log on the BD Proud at <https://bdg.awardco.com/welcome> or use the Awardco app.

How do I use BD Proud to recognize coworkers?

There are lots of options!

Non-people managers may immediately send a BD Proud Greetings eCard for a quick way to thank or acknowledge a teammate – or – if saying “thank you” doesn’t seem to be enough, they may nominate a teammate for a G.E.M. award.

People managers may immediately send BD Proud Greetings eCards and 10 point Thank You eCards, as well as nominate for G.E.M. awards.

What is a BD Proud eCard?

There are two types of BD Proud eCards, Greetings and Thank you. Greetings eCards have a zero point value and may be immediately issued by all team members. Thank You eCards have a 10 points value and may be immediately issued by people managers only. There are LOTS of custom eCard options available in the BD Proud eCard library – so there’s a card for every occasion!

What is the G.E.M. Awards Gifting Guide?

The Gifting Guide is built into BD Proud recognition process to recommend appropriate award levels. You will be prompted through a series of questions regarding your nominee's achievement and evaluating its impact. After completing the questions, you’ll receive an award level score indicating the appropriate award level.

I saw one of my team members offer to help another team member with a difficult task and I would like to acknowledge that behavior. Should that be rewarded? What award level would be appropriate?

Yes, an AwardCode reward card would be an appropriate, immediate recognition.

Can I offer my coworker a BD Proud award to cover my shift?

No, BD Proud Awards are not to be utilized in a quid-pro-quo (this for that) manner.

I don't manage anyone, but I'd like to nominate a coworker for an award. Am I allowed to do that? If so, what awards are available?

Yes, non-people manager employees may nominate coworkers for a G.E.M. Blue Award (10 points). If a non-people manager employee would like to nominate a coworker for a larger G.E.M. award, such as Bronze (25 points), Silver (50 points) or Gold (100 points), they would need to request their supervisor issue the nomination.

As a people manager, how do I request AwardCode reward cards so I can issue them to my team members?

AwardCode reward cards are issued in bulk to site HR Operations. Contact your site HR office to request cards.

Instead of nominating someone for a Bronze award, can I just give them five AwardCode reward cards?

No, that's not the purpose of AwardCode reward cards and they may only be issued to a recipient one at a time and not more than one per shift.

Instead of nominating someone for a Gold award, can I just give them five 10 point Thank You eCards?

No, since Thank You eCards are issued immediately like AwardCode reward cards, they may only be issued to a recipient one at a time and not more than one per shift.
