Don't let everyday moments of greatness go unnoticed!

Want to immediately recognize a team member for doing something that goes beyond the expectations of their role? Our On-the-Spot Reward cards allow you to do just that.

Valued at 50 points (\$5), On-the-Spot Reward cards are ideal for those moments when:

- ▶ You witness a team member's positive attitude in action
- ▶ You notice someone go out of their way to handle a task
- ▶ You observe teams that work exceptionally well together

Find opportunities to recognize each team member at least once per quarter. Although Team Leaders are encouraged to give out On-the-Spot Reward cards frequently, cards should not be issued more than once per day or more than one at a time to a recipient.
